The Honorable William H. Webster
Director, Central Intelligence Agency

Attention: Director, External Affairs

Dear Mr. Webster:

We have been requested by Senator Tom Harkin to review allegations of illegal transfers of fuel from the U.S. military aid program for El Salvador to the contra supply operation. The work will be performed under assignment code 463768 and will begin in Washington on or about mid April 1988.

We will focus on such issues as the items and services provided by the U.S. military aid program to El Salvador, the program controls over this assistance, allegations of improper or illegal transfers of this assistance, and the response of the executive branch to these allegations of these transfers. The work will be conducted in Washington, D.C., El Salvador, and other locations as necessary.

Mr. Alan Bennett, Evaluator-In-Charge in the National Security and International Affairs Division's Security and International Relations Group, is responsible for conducting this assignment. He will contact your designated representative to discuss our needs further as the scope of this review is developed. In the meantime, if you have any further questions, he can be reached on 695-1713.

We have also notified other U.S. government agencies and departments of this review. Your assistance in making the necessary information available to complete this assignment will be appreciated.

Sincerely yours,

Joseph E. Kelley
